

Covid notes for Dinners

Track and Trace

Guests must provide details for track and trace. We use the NHS APP, however we also are required to have full details which can be taken on checking in or at your table by the person leading service. Track and trace details are mandatory.

Permitted number of Guests

26th April 2021. We are able to serve food and drink in our outside area. Numbers will be limited to 70 covers. This figure will be modified downwards depending on table sizes to maintain social distancing.

May 2021 Date to be confirmed. We will be able to serve up to 102 covers inside. This figure will be modified downwards depending on table sizes.

House Rules - Thank you for your co-operation on this

Masks are to be worn at all times when not seated at your table

Table service only, orders cannot be taken at the bar

When moving about the premises social distancing must be maintained at all times.

Sanitiser is provided at the entrances to the hotel and in the lavatories. Please use this.

Where possible please book your table ahead.

Payment where possible should be contactless
