

Covid Hotel and Restaurant Guidelines

- + Full training is given to all employees on hygiene etiquette, physical distancing and risks associated with working in a Covid safe workplace
- + Regular Covid briefings, mask/visor wearing and routine hand washing
- + the restaurant has been adapted for physical distancing, including limiting the number of staff attending the table
- + rooms have been stripped of all non essential soft furnishings, information packages etc.
- + we deep clean the restaurant after service and all rooms after departure
- + we ask that you refrain from visiting the hotel and restaurant if you are displaying any symptoms of Covid 19.
- + We ask that you sanitise your hands when entering the Wynnstay, maintain social distancing and wear a mask when moving about.
- + We will ask that each person entering the Wynnstay supply the information for track and trace
- + Please use contactless payment where possible
- + There is only table service available, ordering at the bar is not possible
- + Limitations on numbers are in operation and there can be no more than six people on a table.

Thank you for your help and a warm welcome from the Wynnstay
